Beyond the campus environmental promotion activities

The purpose of this program is to instil the students make awareness about environment protection. Environmental promotion activities encourage students to participate in and to raise environmental awareness in nearby villages. College is in rural area, educationally and socially underdeveloped area. The college students constantly work to accept this underdeveloped location as a challenge and engage in numerous environmental promotion activities and initiatives. The College make sure that students' involvement in diverse activities like plantation, cleanliness drive, cycle rally, vaccination camp, environmental awareness survey and many more. Some of the year-wise beyond the campus environmental promotion activities are given below -
