Institutional *Perspective Plan (IPP)*

Year : 2020-21

Bichhua Dated: - 09/07/2020

PERSPECTIVE PLAN 2020-21

The institution prepares perspective plan on a continues basis for future planning of activities as also for their implementation in advance in order to make the action plan of the ensuing academic year as realistic as possible. The perspective plan based on the core values of our institution and is reflected in the activities of the various cells and committees of IQAC.

The perspective plan of the college is based on the following objectives.

1. To achieve excellence in academic and administrative pursuits.
2. To create a student-centric atmosphere for holistic learning.
3. To develop entrepreneurship skill through industrial exposure of students.
4. To achieve excellence in the use of ICT for the benefit of students and staff.
5. To create better academic environment by maintenance of discipline in the college premises through the mechanism of discipline committee and model code of conduct.
6. To focus on assessing the entry level behavior of new students during admission in the new academic session by organizing Pravesh Utsav, induction program as per academic calendar as also organizing special programmes like Know Your College.
7. To pursue infrastructure development in the college by government supported programs as also by our own resources.

The perspective plan of the college for Session 2020-21 is as under: -

1. To develop a culture of effective teaching and learning through lectures from academic experts from time to time by various departments thereby maintaining continuously good academic performance.
2. To encourage students to participate in extracurricular activities such as voter awareness, human rights and cross cutting issues.
3. To support students for preparation of competitive examination by organizing various skill development and self employment training programs.
4. To sensitize students on gender issues by organizing seminar, webinar and workshop by women cell.
5. To support students in Career Planning by organizing Seminar/Webinar/Workshop on Communication Skill, Personality Development & Employment Opportunities.
6. To support students in Career Planning by organizing Motivational Speech by eminent Speakers/Recourse Persons.
7. To encourage teachers to organize seminar, webinar and workshop on issues of academic

7. To encourage teachers to organize seminar, webinar and workshop on issues of academic importance and social relevance.
8. To encourage students to develop entrepreneurship skills by way of their exposure to industries such as industrial tour program.
9. To encourage innovations for academic and administrative excellence by organizing innovative programs for staff such as Faculty Development Programme on Office Procedure & Administration.
10. To build capacity of main stakeholders such as staff and students by way of involvement of stakeholders in IQAC.

The college follows the appointment and service rules of government of Madhya Pradesh for efficient management of administrative work. The college also creates its own policies on various issues such as Research Policy, Infrastructure maintenance policy, Grievance Redressal Policy etc for proper functioning of the institution. In respect of administrative set up hierarchical structure is followed in which Principal is the administrative head supported by office staff and academic staff in administrative and academic tasks. In respect of appointment, the college has both regular and part time teachers who are appointed as per government rules and regulations. The appointment of regular faculties is governed by service rules of the State Government. The procedures of the college are governed by the policies of department of Higher Education Bhopal (M.P.)
