

Mr. Pradeep Malviya, Assistant Professor (Guest Faculty)- Chemistry

Electronic Certificate No. - 0132/2018

Madhya Pradesh Public Service Commission

INDORE (M.P.)

STATE ELIGIBILITY TEST - 2018 FOR ASSISTANT PROFESSOR

:- Accredited by :-
University Grants Commission, New Delhi
(Valid in the State of MADHYA PRADESH only)

SET Ref.No. SET409893

Roll No. CS115679

Certified that PRADEEP MALVIYA
Son/Daughter of JAGDEESH MALVIYA
and SHYAMRATI MALVIYA has qualified the Madhya Pradesh SET for eligibility for Assistant Professor held in the month of January, 2019 in the subject Chemical Sciences.
As per the information provided by candidate, he/she had completed his/her Master's degree or equivalent examination at the time of applying for SET.
The date of eligibility for Assistant Professor is the date of declaration of the MPSET result, i.e. 05th April, 2019, OR the date of completion of Master's degree or equivalent examination with required percentage of marks within two years from the date of declaration of MPSET result, i.e. by 04th April, 2021, whichever is later.
This is an electronic certificate only and its authenticity and category in which the candidate had appeared should be verified from the MPPSC SET by the institution/ appointing authority (employer). This electronic certificate can also be verified by scanning QR Bar Code printed on the electronic certificate.
Validity of this electronic certificate is forever.

MEMBER SECRETARY
MP-SET

CHAIRMAN
STEERING COMMITTEE
MP-SET

Date of issue :- 27.05.2019

Note: MPPSC has issued the electronic certificate on the basis of information provided by the candidate in his/her Application Form. The appointing authority should verify the original records/certificates of the candidate while considering him/her for appointment, as the Commission (MPPSC, SET) is not responsible for the same. The candidate must fulfill the minimum eligibility conditions for SET as laid down in the notification for the said MPSET.

Graduate Aptitude Test in Engineering

GATE 2020 Scorecard

Name
PRADEEP MALVIYA

Registration Number
CY20S25010002

Examination Paper
Chemistry (CY)

PRADEEP MALVIYA
15.04.2019

Marks out of 100* **23.33**

All India Rank in this paper **5309**

GATE Score **299**

Qualifying Marks** **26.7** **24.0** **17.8**

GEN/EWS OBC (NCL) SC/ST/PwD

Number of Candidates appeared in this paper **24414**

Valid from March 18, 2020 to March 17, 2023

Not Qualified under General/EWS/OBC(NCL) Category

March 18, 2020

Prof. B. R. Chahar
Organizing Chairman, GATE 2020
(on behalf of NCB - GATE, for MHRD)

(Candidate's Signature)

*** Normalized marks for Civil Engineering and Mechanical Engineering Papers**

**** A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this scorecard**

afd2b01af4911540f9d5fc21f0b07c02

Qualifying in GATE 2020 does not guarantee either an admission to a post-graduate programme or a scholarship/assistantship. Admitting institutes may conduct further tests or interviews for final selection.

In the GATE 2020, the qualifying marks for a general category candidate in each paper is $\mu + \sigma$ or 25 marks (out of 100), whichever is greater, where μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper. The qualifying marks for OBC(NCL) and SC/ST/PwD candidates are 90% and two-third of a general category candidate in the paper respectively.

The GATE 2020 score was calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where

M is marks (out of 100) obtained by the candidate in the paper

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is greater) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In multi-session (Civil Engineering and Mechanical Engineering) papers, the normalized mark of j^{th} candidate in the i^{th} session \bar{M}_{ij} was computed using the formula

$$\bar{M}_{ij} = \frac{\bar{M}_t^g - M_q^g}{\bar{M}_{ti} - M_{iq}} (M_{ij} - M_{iq}) + M_q^g$$

where

M_{ij} is the actual marks obtained by the j^{th} candidate in i^{th} session

\bar{M}_t^g is the average marks of the top 0.1% of the candidates considering all sessions

M_q^g is the sum of mean and standard deviation marks of the candidates in the paper considering all sessions

\bar{M}_{ti} is the average marks of the top 0.1% of the candidates in the i^{th} session

M_{iq} is the sum of the mean marks and standard deviation of the i^{th} session

Graduate Aptitude Test in Engineering (GATE) 2020 was organised by Indian Institute of Technology Delhi on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Human Resources Development (MHRD), Government of India.
